**BRYAN CONSULTS THE PRESIDENT**

For First Time Since He Left Cabinet Noted Pacifist Is Closed With Mr. Wilson

WASHINGTON, Sept. 21.—(AP)—Mr. Bryan will confer tomorrow with President Wilson. The engagement was made today at the White House at Mr. Bryan's request. It will be the first time the two men have met since Mr. Bryan quit the cabinet. Official Washington, however, expects they will discuss the recent proposal that Mr. Bryan go to Europe to talk peace and to urge acceptance of his peace commission treaty to Germany and also Mr. Bryan's announced opposition to any increase in the national defense.

It has been reported in administration circles that Mr. Bryan will use his wide influence in congress to oppose the president's national defense program if it contemplates any material increase. Since, however, he has been the president's faithful ally in the past, it is not probable that he will do this.

Johnny Raimey.

One of the events scheduled for the first day of auto races at the State Fair Wednesday, September 23, Oklahoma City Day—that will bring speed fans to their feet, will be the efforts of Johnny Raimey, one of the veteran speed kings, to favor the world's record for five miles on a half-mile track. Louis Disbrow now holds the honor through his performance here in 1913, when he made the ten laps in 5.10. Raimey equaled it at Tulsa, Oklahoma, last year, but he has never been beaten.

Raimey, with Jack Kilpatrick, composed the Erie-Wyoming team, which is making the best time in the state. They promise to shatter some of the track records in their two-day stay here next week. It was during one of these efforts at Tulsa last Friday, that Kilpatrick went through the fence and injured ten people, though he was only shaken up and not slightly.

WEDNESDAY **at Kerr's** WEDNESDAY**The Autumn Draperies!**

The results are before you on the Fourth Floor. A vastly improved department, not finished by any means, for everything at Kerr's is in process of transition to something better, but vastly improved, with adequate floor area, fine light, comprehensive stocks and capable, willing people to serve you. A man goes to New York and other markets to buy these things for us. Obviously, buying directly from first hands, we buy for less. That fact is manifested in dozens and dozens of instances, some of which are cited below, our underselling is a thing real and palpable. Perhaps, however, the suggestions, the help with your plans and the enthusiasm with which our people cooperate with you are the better part of this home furnishing service.

Everything is ready, and you will, at least, come to see.
